### Directions

Chongoene Holiday Resort is on the beachfront of Praia de Xai Xai, Gaza Province, Mozambique, and is 10 km from Xai Xai town centre. This provincial capital is 236 km north of Maputo on the EN1 (N1) North. The estimated travel time from Johannesburg to our holiday resort is 10 hours depending on the border and restroom stops.

**GPS Coordinates South 25.06.248 East 033.46.151**

- from Johannesburg, travel to Nelspruit on the N12/N4 (Toll Road) East and then further to Komatipoort. Cross the border at the Lebombo/Ressina Garcia Border Post by Komatipoort. There is a good tar road all the way into Maputo from the Border at Komatipoort. There is a toll half way between the border and Maputo.

### Once inside Mozambique:

Once through the Komatipoort border post, follow the road for 66.2 km. Look out for the MATOLA RIVER. By the bridge of the Matola river you have to turn (see instructions on the map hereunder). Once on the road to Xai Xai (marked in green) you continue straight until you reach Xai Xai. (This is the EN1 (N1) which is the main road north). You will drive through numerous little villages and towns on this road. It is advisable to obey all speed restrictions as the authorities in all these hamlets have Radar Speed trapping equipment and enforce the limits actively.

**Just after Macia you will see a sign with the name Zongoene. Please note that this is not our resort. You are then about 60km from Xai Xai.**

- Just before Xai Xai you will cross the Limpopo river over a toll bridge into the Xai Xai town. While passing through the main Xai Xai town, you will see a Total filling station on your left. About 200 metres further look for the BCI bank on your left (it is orange and white). Take the slipway to your right to the **Praia de Xai Xai** (beach)

**DO NOT proceed further through Xai Xai town going towards Barra.** If you ask directions to Chongoene you might be given directions to the town Chongoene. Which is approximately 40km from us. **You must ask for Xai Xai Beach (Praia de Xai Xai).**

**Slipway to the PRAIA DE XAI XAI**

Once on the road towards Xai Xai beach, continue for approximately 10km until you reach a circle. **When you reach the circle: Keep left** and take the first exit, going downhill to the beach front
